

WE HEREBY PRESENT THIS RECOGNITION TO

Jonathan Doberenz

FOR THE SUCCESSFUL COMPLETION OF

Cybersecurity A.I. Bundle Logistics

The Cybersecurity Program builds foundational knowledge through a self-paced, asynchronous format. Earners of the Cybersecurity Artificial Intelligence badge have completed hands-on labs and modules within a three-month timeline in artificial intelligence, robotic process analysis, cognitive computing, and coding. This badge signifies 45 clock hours of PDU/CE credit.
